*Cumulative figures since the start of the programs.

a/ Individual small farmers and fisherfolk who may or may not be members of the borrower organization and indirectly benefited from the organization's utilization of the program loan.

b/ Not applicable. Under the SURE COVID Facility for MSFFs, the target borrowers are individual farmers and fisherfolk borrowers.

c/ This amount includes fund transfers to both PLC and MSE.

d/ Not applicable. Under the SURE COVID Facility for MSEs, the target borrowers are agriculture- and fisheries-based micro and small enterprises (Agri-Fishery MSEs).

e/ Processing of loan applications for the KAYA and ANYO Program is still ongoing.

f/ Not applicable. Under the BuyANIhan program, the target borrowers are organizations (e.g. cooperatives, farmers' and irrigators' associations).

g/ This amount includes both 2019 and 2020 fund allocated for ERCA.

h/ This only includes number of beneficiaries from DBP. No data provided by LBP.

i/ *Some of the credit funds used for SURE Hogs loan releases came from undisbursed funds of the Regular SURE program.*

j/ *Not applicable. Under the various SURE Programs, the target borrowers are individual farmers and fisherfolk affected by calamities.*

k/ *Not applicable. Under the PLEA Program, the target borrowers are individual farmers and fisherfolk engaged in agricultural production.*

l/ *Not applicable. Under the guidelines of AFME and CLEA programs, the target borrowers are organizations (e.g. cooperatives, farmers' and irrigators' associations.)*

m/*As reported by the implementing GFI (Landbank of the Philippines) as of August 31, 2020.*

n/ *ACPC infused a total of P800 million funds into the SSP consisting of: a) an initial P200 million from ACPC loan collections in 2012; and b) P600 million from ACPC 2015 GAA loan funds. The LBP provided an equal amount of P800 million as its counterpart funding for the program.*

o/ *243 is the number of unique PLCs and GFIs for all programs.*
