a/ ACPC infused a total of P500 million funds into the Swine-R3 Program of DBP that has yet to be disbursed to end-borrowers.

b/ ANYO Program includes releases to market vendors under the Food Supply Chain Financing Support Facility.

c/ Not applicable since the program targets only individual farmer- and fisherfolk-borrowers.

d/ Not applicable since the program targets only organization-borrowers (e.g. Agrarian reform beneficiary organizations cooperatives, farmers' and irrigators' associations) and Micro and Small Enterprise (MSEs).

e/ A total of P2.5 billion has been transferred to ACP Program. The reporting period is as of March 31, 2021.

NOTE: Compared to the previous report last July 31, 2021, there is a decrease worth 43.83 million (380 borrowers) in the aggregate amount of SURE Covid-19 Program due to the reallocation/retagging of "loans for immediate release" to other programs.
